### *Toilets First, Temples Later*

Shri Narendra Modi, Hon'ble Prime Minister of India

**B**rothers and sisters, it will be 150th birth anniversary of Mahatma Gandhi in 2019. How do we celebrate 150th birth anniversary of Mahatma Gandhi? Mahatma Gandhi, who gave us freedom, who brought so much honour to such a big country in the world, what do we give to Mahatma Gandhi? Brothers and Sisters, Mahatma Gandhi had cleanliness and sanitation closest to his heart. Whether we resolve not to leave a speck of dirt in our village, city, street, area, school, temple, hospital, and what have you, by 2019 when we celebrate 150th anniversary of Mahatma Gandhi? This happens not just with the Government, but with public participation. That's why we have to do it together.

Brother and Sisters, we are living in 21st century. Has it ever pained us that our mothers and sisters have to defecate in open? Whether dignity of women is not our collective responsibility? The poor womenfolk of the village wait for the night; until darkness descends, they can't go out to defecate. What bodily torture they must be feeling, how many diseases that act might engender. Can't we just make arrangements for toilets for the dignity of our mothers and sisters? Brothers and Sisters, somebody might feel that a big festival like 15th August is an occasion to talk big. Brothers and Sisters, talking big has its importance, making announcements too has importance, but sometimes announcements raise hopes and when the hopes are not fulfilled, the society sinks into a state of despondency. That's why are in favour of telling those things, which we can fulfil just within our sight. Brothers and sisters, you must be getting shocked to hear the Prime Minister speaking of cleanliness and the need to build toilets from the ramparts of the Red Fort.

Excerpts from the speech by the Prime Minister  
Narendra Modi on Independence Day
